

LIVING LABORATORIES - *Wild Westerly*

HANDS-ON OUTDOOR ENRICHMENT
@ [BARLOW NATURE PRESERVE](#)

Join Westerly Land Trust educators for an 8-week hands on adventure to explore the great outdoors. Step into the boots of a new scientist or steward each Thursday to discover the weird and wild plants, animals and phenomena that make Westerly our beautiful home. Grade 3 & 4 will dive deeper into exploration using more advanced technology

Click your student's section to register for all programs!
