Dear Assistant Superintendent,

We intend to home school our child, _____ (Date of birth _____) for the _____ school year in grade _____. Attendance will be substantially equal to that required by law (~6.5 hours/day, 180 days). A record of progress will be kept and an attendance register and evidence of progress will be submitted to Westerly Public Schools upon request.

With regard to curriculum, we intend to follow _____ (e.g. name of online service, our own curriculum outline, Westerly Public Schools curriculum). The subjects studied, in accordance with Rhode Island General Law will include: reading, writing, geography, arithmetic, English (from RI 16-19-2); civics (16-22-2); health and physical education (16-22-4). These subjects will be taught in the English language and will be taught substantially to the same extent as these subjects are required to be taught in the public schools.

Optional: Specifically, my child will study the following topics: (provide a list of courses below or attach course selections to this letter).

Optional: Additional Information:
