

# The **S.C.I.E.N.C.E.** Behind a Successful Student

---

**S**afety comes first

*Creating a safe learning environment is the job of everyone in the class.*

**C**ome to class

*Learning is a process that requires your presence and active participation.*

**I**ntegrity is important

*Do the right thing, even when no one is watching.*

**E**mbrace your uniqueness

*Everyone learns differently. Use your unique gifts and talents to achieve the best you can and encourage others to do the same.*

**N**o distractions

*The more you focus on achieving a goal, the more you will achieve it.*

**C**hallenge yourself

*It is okay to make mistakes. You may not know what you can do until you try.*

**E**ngage your mind

*Learning is more fun if you have a positive mindset.*
