

Internet Traffic Light

STOP! Too dangerous to proceed	The person you are talking to is clearly acting inappropriately, and the conversation needs to end.
SLOW DOWN, be cautious – and be prepared to stop	Something about this conversation makes you feel uncomfortable. You're alert for any signs of inappropriate or suspicious behavior.
GO – Coast is clear (but look both ways!)	You feel safe and enjoy interacting with this person online. But you also remember that all conversations can take unexpected turns, so you're prepared to put the brakes on if you need to. You have not provided any private information.
