

- Students have the opportunity to "do over" three assessments per semester in each course within **ONE** calendar week (7 days) of receiving the scored assessment.
- Students <u>must</u> sign the WHS "do over" contract with their teacher to clarify the procedures within two school days of receiving the scored assessment.
- The final score will be calculated by taking the average of the original score and the "do over" score.
- Students will have one opportunity to "do over" each chosen assessment excluding midterm and final exams
- Students cannot "do over" an assessment that they made no genuine effort to complete. This option is only available for students who <u>complete</u> and hand the assessment in on the original due date. Your teacher has the discretion to grant or deny this contract per this condition.
- An unexcused no show for a scheduled "do over" is an automatic loss of a "do over" opportunity.
- Students will be required to complete a reflection/metacognition.
