Westerly School Facilities.

Our mission is to create an inspiring, challenging, and supportive environment where students are encouraged and assisted in reaching their highest potential.

Dear Parents,

The Westerly School Department would like to notify you that in compliance with the Rules and Regulations for School Health Programs, adopted in January 2009, all students in grade nine shall be given an annual dental screening.

Students who are treated by a private dentist / hygienist will be exempt from the school screening if written documentation is provided. Please have your dentist complete the form below and return it to school. If the form is not returned, your child will be screened by the school dentist during the freshman dental screening, held in December. Thank you.

Sincerely,

Jodi Perrin, RN CSNT
School Nurse Teacher
