“DO OVER” CONTRACT

- Students have the opportunity to “do over” three assessments per semester in each course within **ONE** calendar week (7 days) of receiving the scored assessment.
- Students **must** sign the WHS “do over” contract with their teacher to clarify the procedures within two school days of receiving the scored assessment.
- The final score will be calculated by taking the average of the original score and the “do over” score.
- Students will have one opportunity to “do over” each chosen assessment excluding midterm and final exams
- Students cannot “do over” an assessment that they made no genuine effort to complete. This option is only available for students who complete and hand the assessment in on the original due date. Your teacher has the discretion to grant or deny this contract per this condition.
- An unexcused no show for a scheduled “do over” is an automatic loss of a “do over” opportunity.
- Students will be required to complete a reflection/metacognition.
