Re: September 30, 2021, Financial Report

Attached is the September year-to-date budget report for Fiscal Year 2022. The purpose of this report is to provide a summary of the current financial status of the School as well as to project this status for year end. The financial report includes variances from the budget.

The significant projected variances are:

## Revenues:

Tuition Preschool is projected to be under budget by $\$ 9,500$. Enrollment is lower than anticipated.

## Expenditures:

Salaries and Other Compensation are projected to be under budget by $\$ 82,262$ due to a vacant Psychologist position.

Employee Benefits are projected to be under budget by $\$ 20,164$ due to a vacant Psychologist position.

Purchased Services are projected to be over budget by $\$ 35,000$ to pay for contracted services due to the vacant Psychologist position.

The current projections result in a surplus of $\$ 57,098$. Projections are based on many variables and are therefore reevaluated on a monthly basis as actual revenues are earned and expenditures incurred.
