To: $\quad$ School Committee Members<br>Mark Garceau, Ed.D., Superintendent<br>From: Cindy Kirchhoff, Director of Finance \& Operations<br>Date: April 28, 2023<br>Re: March 31, 2023, Financial Report

Attached is the March year-to-date budget report for Fiscal Year 2023. The purpose of this report is to provide a summary of the current financial status of the school as well as to project this status for year end. The financial report includes variances from the budget.

The projected variances are:

## Revenues:

Miscellaneous Revenue is projected to be over budget by $\$ 4,200$ currently due to the sale of retired devices.

Medicaid is projected to be at budget currently but is under review for a potential decreased projection.

## Expenditures:

Salaries and Other Compensation are under budget by $\$ 419,903$ due to vacancies including teachers, administration, custodians, paraprofessionals, bus drivers, and bus monitors. As teaching positions are filled there is a net savings due to budgeted steps versus actual. The projected surplus is offset by adding two building substitutes for the secondary schools for the remainder of the school year.

Employee Benefits are projected to be under budget by $\$ 314,701$ as these costs are related to compensation. A dividend was received that reduced the expenditure for worker's compensation.

Purchased Services are projected to be over budget by $\$ 105,384$ due to pending transfers for technology services and electrical repairs.

The current projections result in a surplus of $\$ 633,720$. Projections are based on many variables and are therefore reevaluated quarterly as actual revenues are earned, and expenditures incurred.
