

12 Considerations for Defining Co-Teacher Roles and Responsibilities

- 1. Fulfilling IEP objectives for the special education students?**
- 2. Instructional planning/lessons? (Material selection & organization).**
- 3. Co-Teaching model used for any given lesson? Who does what?**
- 4. “Meet the Teacher Night/Open School Night”, conferences, report cards?**
- 5. Consistent classroom management plan.**
- 6. How will we handle school to home parent communication?**
- 7. Adapting and/or modifying curriculum and materials as necessary?**
- 8. Designing tests, homework assignments, etc.? Grading papers/other student assessment?**
- 9. Providing individual assistance to students?**
- 10. Taking care of daily routines (e.g. attendance, morning anchor activity to settle and focus students).**
- 11. Orchestrating Para educators, parent volunteers, and/or other support personnel?**
- 12. Overall communication with psychologist, school nurse, social worker, etcetera?**
